Duwap Kaine

(Donny, you're such a dick)

Bitch I go fast I ain't tryna wreck
In this whip I'ma take off like a jet
My nigga throwin' sets
DJ Khaled, we the best
I'ma dog so I'm needing a vet
In the field, ima muhfuckin vet
Don't try me nigga, man that's Russian roulette
You want smoke aight its a bet
In my hair yeah she all in my dreads
She rub me down, steady rubbing my chest
since you wearing a vest
New spot, I ain't having no guests
You fucked on a hood hoe, get checked
Im having shit yeah I thumb through a check
Forgive but I never forget
Last year I was fucked up, stressed
She want me to be myself, but bitchwe just met
Bird ass hoes wanna come out they nest
Yo hoe with me wanna go on a quest
You broke as hell and you shopping for less
If that's yo hoe, boy that hoe look a mess
Keep my eye out when Im on the West
You wanna test me, I ain't failing that test
ya bitch, yeah drip down her legs
Im with my bro, nigga Smokey and Craig
They only give you credit nigga when yo ass dead
Never like when a broke bitch beg
Im the shit man I made her regret
Hit yo hoe, cause this hoe in my bed
I was locked up, I ain't make it to the den
Judge was on my ass
But I ain't tell her the truth
I was just ducking them folks
I was tryna do what I do
I was tryna move how I move
Tryna get out the jam so smooth
Too many cops, I ain't have no room
Like really tryna dodge the boys in blue
Somehow Im still a felon (felon)
All my classes I was failin
But a young nigga intelligent
But in that room ain't telling shit (shh)
On your block I was selling shit (selling shit)
Gone head and start the election
Cause im the fucking president
Around my motherfuckin section
I know some niggas out in Frazier
Them niggas they'll blaze ya
I know some niggas out in Carver
That shit like a fucking maze
Im off the drank got me right in a daze
Im sipping drank got me high for some days
Don't mention it if I'm not getting paid
Every other day Im at the bank
My nigga locked up with a shank

One mirror, one toilet, one sink
Who the fuck said I was a Saint?
Im in the DMV, they sayin I crank
Switch behind this bitch, get spanked
Got niggas in the hood and they wanna go to Spain
Gone look like it got scary, and it ain't
I married the money I ain't get a ring
