(God Dayumn)

Bitch, I ain't payin' for no date, ho
Feel like Future when it come to 'dese hoes (I gotta say so)
Like bitch, shut up, change the channel
Like bitch tryna fuck wit my laundry
Posted in California like Mozzy
Since, they wanna steal a name I'm a walkie-talkie (copy that)
I got some bad bitches in Milwaukee
I got some bad bitches, know they stalk me

Shoot a nigga like I'm Bun B (shoot a nigga)
Sippin' lean like I'm Bun B (sippin' lean)
Sippin' lean like I'm Pimp C
I'm a young nigga, I'm a different breed
She a fast girl, gotta crazy speed
I roll backwoods, I roll backwood leaves

Gotta bad bitch, that so proud of me
Gotta bad bitch, probably mad at me
'Cuz she wanna figure out where I live
Wanna figure out where I wanna lead
Racks out in my Ksubi jeans
She say "why you bein' so mean?"
ABC, she want the D
Don't give a fuck if she fuck with me
I do what I want lil' bitch
But cho' ass is a wannabe (damn, damn)
My shoota is Cherokee
She know what she want from me (damn)

Niggas trippin' like they on LSD
I appreciate if you riding with me (I appreciate)
Everyday, man, I'm 10 feet (damn, damn, damn)
Everyday, man, I swear I'm so geeked
Baby Milo and that shit is on me
A nigga weird, I ain't doin' no 'feats (I ain't doin' no, nah)
Sippin' drank, purple my tongue and my teeth
The fans love me, man they selling my leaks

Lemme come take a sneak peek
Young nigga, man, I'm stickin' and geekin'
I geek hard, man, I geek while I sleep
Fuck snitchin', man, that shit for the weak
Drinking and smoking, can't do that this week
Then I make it to it, to the green
Do anything that benefit me
Counting them hunnids and fifties
Rockin' all of 'dis Ricky
I hope my real niggas they stay with me
Still do a drill in the dickies
12, they moving real tricky
They wanna indite me, they wanna evict me
Designa shit, yeah Balenci'

But I got Siaga right with me
I really don't think that they hear me
I'm sippin' 'dat drink, you know you can't feel me
Nigga be police, be squealin' (yuhh)
And ya bitch on the ground kneelin'
I got them shootas on top of a buildin'
Who hurt that bitch? Cuz that bitch need healin'
That's yo bitch? She wanna suck on my dingaling
Gettin' chesse, I ain't talkin' string
In the streets, I ain't talkin' wings
In her house and she make it A (clap, clap)
That's why I just made it rain
I'm the drank, sippin' Purple Rain

The way that my niggas live, they humane
If I'm hungry nigga, rob the food chain
Babygirl, get along wit me and she said she wanna do thangs
She mad at me, wanna fuck (she wanna fuck)
Babygirl having mood swings
Babygirl get along wit me and she said she wanna do thangs
