

No Hook

Duwap Kaine

No hook, nigga, that's how I'm comin'
Draco, it just hits in your stomach
We makin' money while y'all outside, clubbin'
I'm a real nigga, I don't do it for public
Young nigga, yeah, I'm standin' for somethin'
Get awake, up, get that money like, "Fuck it"
Can't fuck your ho 'cause that lil' bitch ugly
These the nudes that your lil' bitch sent me
The only reason that I live is for money
C12 made my stomach bubbly
Gotta dub the fans before they try to bug me
Walk down with a mask and a
Hoodie on, camera didn't see nothin'
If a fake bitch fuck with me, she lucky
No hook, man, that's just how I'm comin'

No hook, yeah, I'm back and it's bussin'
I'm high as fuck, pass the blunt to my cousin
I was robbin' shit, nigga, yeah, I was hungry
You ain't God, nigga, how you gon' judge me?
With my gloves, then the whole scene bloody
She seen a mirror pic and she wanna fuck me
not a dollar to shush me
And I damn sure ain't finna snitch for no money
She made my phone ring, but I'm not her husband
That ho cute, yeah, I'm straight up lucky
I got a pound comin' in, straight from my duster
I DJ her shit, no DJ Mustard
dreads, you a
She made me nut off the head, then I love her
Made her squirt on the bed, I ain't touch her
Remember I wan' fuck her
