Duwap Kaine

I got fifty shots no 50 cents  
You know I'm fifty,  
Ion know why ops be mad, they irrelevant  
I got too many Glocks, I'ma specialist  
Why them niggas be scared when that Glock hit  
Yo Glock ain't fuck nobody, it's celibate  
Nigga just shoot, why you so hesitant?  
You started that beef, nigga, fuck a settlement

We rolling up skimp blunts, nigga, skeleton  
You know I'm high as fuck, nigga, in my element  
And I get fly, nigga, yea a pelican  
Can't hang with that guy, he just might tell again  
12 don't know shit, don't got no evidence  
I'm on my block moving like the president  
In that trap with the proper etiquette  
I hit that trap, but I'm still intelligent  
I got a hood bitch say that I'm boosted  
I seen a fake trap nigga say he was shootin'  
I'm high as fuck like I'm parachutin'  
Got gas in the air, nigga, it's pollutin'  
Ya'll must be sleep when ya'll shoot? Snoozing  
I got two cups, I ain't in Houston  
Catch me in that GT just cruising  
She see all of my diamonds it's amusing  
I'm high as fuck, and this bitch confusing  
I'm shooting guns and I be producing  
Can't fuck that bitch, ain't no reproducing  
Got the trap going up, yea, the trap booming  
In that foreign I be zooming  
With my nigga, know that we cooling  
And we catching opps outside  
Nigga that's the real demon time  
That's the real time when you slide  
That's the time you finna die  
That's the time my niggas ride  
Four, nigga, yea .45  
Ion think you can survive  
You see demon in my eye  
I put semen in her eye  
No, you niggas can't hide  
Cannot hide from me now  
Two bitches and they bi  
And they both toting on fives  
And they weave both tie dye

I got fifty shots no 50 cents
