

Do It Anyway

DVBBS

La-la-la-la
La-la-la-la

So you know you never going to be the same
I might be the one to blame
Yeah you know your never gonna feel the same
Its okay its all on me
Cause I know in the end I'm not easy
Like a bull I got straight to your heart
I'm a let you fall in and then ill leave you
I'm taking my time
I'm sipping my wine
Wanna be dancing
I'm trying

I only party when the rain
Streaming down my face
Flood those gates
And wash it all away
There ain't no body else to blame
Its calling out my name
Cheers to me
Fuck it imma do it anyway

La la la la
La la la la
Fuck it, I'ma do it anyway
La la la la
La la la la
Fuck it, I'ma do it anyway
I, I, don't-
I, I, don't-
Fuck it, I'ma do it anyway

Tell me that I'm putting you through hell
I do what I want I do it well
Should've thought of that before you fell
Baby you know right now
I cannot help myself

I only party when the rain
Streaming down my face
Flood those gates
And wash it all away
There ain't no body else to blame
Its calling out my name
Cheers to me
Fuck it imma do it anyway

La la la la
La la la la
Fuck it, I'ma do it anyway
La la la la
La la la la
Fuck it, I'ma do it anyway
I, I, don't-
I, I, don't-

Fuck it, I'ma do it anyway

Haha
