

Feel Something (Interlude)

DVBBS

Spent some nights all alone
Deep inside your cold
And I know that you wanna feel something
Wanna feel something

Spent some nights all alone
Deep inside your cold
And I know that you wanna feel something
Wanna feel something

Ooh, oh, oh
Oh, ooh, oh
Oh-oh, ooh, oh
Oh, ooh, oh
Oh-oh, ooh, oh
Oh, ooh, oh
Oh-oh, ooh, oh
Oh, ooh, oh

Spent some nights all alone
Deep inside your cold
And I know that you wanna feel something
Wanna feel something

Spent some nights all alone
Deep inside your cold
And I know that you wanna feel something
Wanna feel something

Ooh, oh, oh
Oh, ooh, oh
Oh-oh, ooh, oh
Oh, ooh, oh
Oh-oh, ooh, oh
Oh, ooh, oh
Oh-oh, ooh, oh
Oh, ooh, oh

Spent some nights all alone
Deep inside your cold
And I know that you wanna feel something
Wanna feel something
