

## Here We Go

DVBBS

You start to feel it rushing  
through your whole body, yeah  
It's been some time  
It's been a long time

And here's your chance to vibe off everybody  
cause we're feeling fine,  
its been a long time  
So superstitious, I envision, this gin  
has got me spinning, I'm wishing so stop,  
gonna make it happen now

And here we go again  
And here we go again  
Your mind is racing and spinning  
and now we're making decisions  
and here we go again

It's been a long-long ti-me  
It's been a long-long ti-me, mine  
It's been a long-long ti-me  
It's been a long-long time, mine  
It's been...

You're seeing double & your visions getting blurry, yah  
its been some time  
Its been a long time  
Take on this moment,  
Time to own take it over  
cause were feeling fine  
Its been a long time

So superstitious, I envision, this gin  
has got me spinning, I'm wishing so stop,  
gonna make it happen now

And here we go again  
And here we go again  
Your mind is racing and spinning  
and now we're making decisions  
and here we go again

It's been a long-long ti-me  
It's been a long-long ti-me, mine  
It's been a long-long ti-me  
It's been a long-long time, mine  
It's been...

And here we go again  
And here we go again  
Your mind is racing and spinning  
and now we're making decisions  
and here we go again

It's been a long-long ti-me  
It's been a long-long ti-me, mine  
It's been a long-long ti-me

It's been a long-long ti-me, mine  
It's been a long-long ti-me  
It's been a long-long ti-me, mine  
It's been a long-long ti-me  
It's been a long-long ti-me, mine  
It's been...
