

# Losing Sleep

DVBBS

I'm layin' in the grass lookin' up at the stars  
I'm dreamin' of you here but you're wrapped in his arms  
Wish I could forget but I don't want to  
I've been losing sleep since I lost you

Ordered fast food at night  
And sleep through the light  
If you don't care about me  
Then why should I

Tell me what's cool 'bout the new guy  
Is he strong, is he funny, does the sun shine?  
I know you cry more than sometimes  
Does he bring you chips with the sundried?

I don't wanna curse myself but I won't ever be  
Back in the place I was when you were here with me

I'm layin' in the grass lookin' up at the stars  
I'm dreamin' of you here but you're wrapped in his arms  
Wish I could forget but I don't want to  
I've been losing sleep since I lost you

Deleting all my apps  
Cuz nobody gives a shit  
We're nothing anymore  
But I wish we were

Ordered fast food at night  
And sleep through the light  
If you don't care about me  
Then why should I

Tell me what's cool 'bout the new guy  
Is he strong, is he funny, does the sun shine?  
I know you cry more than sometimes  
Does he bring you chips with the sundried?

I don't wanna curse myself but I won't ever be  
Back in the place I was when you were here with me
