

## Love Till It's Over

DVBBS

Whenever you leave  
It's hard to hold on  
This feeling is deep  
I'm losing control  
You're taking my mind  
Now I'm losing sleep  
It's hard to breathe without you, I can't let go

Let me hear your heart speak, I'm listening  
So tell it to me softly, it's all love  
It's all love, it's all love  
It's all love 'til it's over

It's all love  
It's all love 'til it's over

Let me feel your heart beat  
I'm ready so just give it to me softly  
Let me hear your heart beat  
I'm listening so tell it to me softly

Whenever you leave  
It's hard to hold on  
This feeling is deep  
I'm losing control  
You're taking my mind  
Now I'm losing sleep  
It's hard to breathe without you, I can't let go

Let me hear your heart speak, I'm listening

It's all love, it's all love  
It's all love 'til it's over  
It's all love 'til it's over

It's all love  
It's all love 'til it's over

Let me feel your heart beat

Let me hear your heart beat
