Moonrock

DVBBS

Your boys and Juicy J
Woozy gang

Don't let me get in my zone
Got a moonrock in my cone
Got a bad chick in my i8
And her ass off of that phone
I just rang through but
Half a mil to remodel my home
That I only slept in twice
Smoked out parties every other night
I am not at the club
I brought the club to me
And you not on the guest-list
If you ain't got no double D's

Moonrock in my cone
Moonrock in my cone
Moonrock in my cone
Moonrock in my cone
Moonrock in my cone
Moonrock in my cone
Moonrock in my cone
Moonrock in my cone
Moonrock in my cone

Sleepin on your chick
She saw my car and she blacked out
She woke up and saw a real nigga, for the first time
And passed back out
Fucking with a vet
I got these hoes in check
I break some rubberbands, they get they panties wet
Just copped a pound, and let her break it down in a lab
Then roll up some more cones
And blow more smoke than a power plant

Moonrock in my cone
Moonrock in my cone
Moonrock in my cone
Moonrock in my cone
Moonrock in my cone
Moonrock in my cone
Moonrock in my cone
Moonrock in my cone
Moonrock in my cone
