

## We Are Electric ft. Simon Wilcox

DVBBS

I am the hunter, you are the haunted  
I am the lover, you are beloved  
And tonight you will be mine

I am the arrow, you are the target  
We'll be together until the morning  
Cause tonight you will be mine

You will be mine  
You will be mine  
You will be mine  
You will be mine

You will be mine  
You will be mine  
You will be mine  
You will be mine

You are the ocean, I am a river  
I am a moment, you are forever  
And tonight you will be mine

I am the shadow, don't close your eyes yet  
We are electric, tell me you feel it  
Cause tonight you will be mine

You will be mine  
You will be mine  
You will be mine  
You will be mine
