

A Muse

dvsn

When I'm in a bad mood
It's good to know I have you
You got niggas from your past that still ain't pass you
But you're on my time
But you on my time now, and our past through

Now that we finally got them out the way
All the decisions that I wanna make
I want your body in a million ways
Nobody ever makes me feel the same

'Cause when I'm with you
Arch it up nice and slow
From the back, ooh
I'm about to lose control
'Cause you're my muse
Don't hold back, let it go
What did I have to do?
Only you will let me know

On me like a tattoo
I don't wanna take it out, but I have to
Only for a second, then I'm back in
You know when I come and how I'm packing
Look over your shoulders, put your back in
You're leaving in the morning, you supposed to be packing
Yeah, we gon' have to push that flight back
Said you gotta go, brought it right back
Those calls, those texts, you don't write back
Forgot about your phone, my sex is like that, like that

When I'm with you
Arch it up nice and slow
From the back, ooh
I'm about to lose control
'Cause you're my muse
Don't hold back, just let it go
What did I have to do?
Only you will let me know

And if you want it, say yeah, yeah, yeah
Oh, oh, oh, oh, oh
Yeah, yeah, yeah, yeah
Oh, oh, oh, oh
