The righteous name of
Jesus, Jesus, Jesus
All-knowing name
Jesus, Jesus, Jesus
Say the name of
Jesus, Jesus, Jesus
Deliverance in the name of
Jesus, Jesus
Ooh, ooh-ooh, ooh
Ooh-woah, ooh-woah, oh, oh-oh, ooh-ooh
Yeah, ayy, yeah-yeah, ayy

Hands up
Hell-bent love, I prayed that all the love at last
I finally found the right words
You lifted up my burden with that ass

No weapon formed against our love can win
Again, babe, we're sinnin', babe
Again and again

When we get married
You won't have to feel no shame (Feel no shame)
I wouldn't be trippin' but we callin' His name

And she'll keep sayin', "Jesus, Jesus, Jesus"
Then I be sayin, "Jesus, Jesus, Jesus"
Neighbors hear you screamin', screamin', screamin'
They gon' be believers, 'lievers, 'lievers
Hear you sayin', "Jesus, Jesus, Jesus"
Then I be sayin, "Jesus, Jesus, Jesus"
Hear the way you screamin', screamin', screamin'
They gon' be believers, they gon' be believers

I believe (Yeah)
In love at last
(Tell me you believe it, baby)
You know I got your back
Still got no problem with that, with all that ass

No weapon formed against our love can win
Again, babe, we're sinnin', babe
Again and again

When we get married
You won't have to feel no shame (Feel no shame)
I wouldn't be trippin' but we callin' His name

And she'll keep sayin', "Jesus, Jesus, Jesus"
Then I be sayin, "Jesus, Jesus, Jesus"
Neighbors hear you screamin', screamin', screamin'
They gon' be believers, 'lievers, 'lievers (Woah, yeah)
Hear you sayin', "Jesus, Jesus, Jesus"
Then I be sayin, "Jesus, Jesus, Jesus"
Hear the way you screamin', screamin', screamin' (Jesus, Jesus, Jesus)
They gon' be believers, they gon' be believers (Jesus, Jesus, Jesus)

I'm strugglin' with temptation (Yeah)
You make it hard for me to always do right
You know of His creation
Your body is a temple that I'm in every night (Oh, ooh-woah)

Sayin', "Jesus, Jesus, Jesus"
Then I be sayin', "Jesus, Jesus, Jesus"
Neighbors hear you screamin', screamin', screamin' (Neighbors hear you screamin')
They gon' be believers, 'lievers, 'lievers (They ooh, they ooh, they ooh)
Hear you sayin', "Jesus, Jesus, Jesus"
Then I be sayin', "Jesus, Jesus, Jesus"
Hear the way you screamin' (Screamin'), screamin' (Screamin'), screamin' (Jesus, Jesus, Jesus)
They gon' be believers (Screamin'), they gon' be believers (Screamin', Jesus, Jesus, Jesus)

All I want You to do is speak Lord, speak Lord
Speak through my soul (Oh, oh)
Speak Lord, speak Lord (Oh yeah, yeah)
Speak Lord, holy ghost
Speak Lord, speak Lord
Show me where to go
Speak Lord, speak Lord
Speak Lord, holy ghost
Speak Lord, speak Lord
Show me where to go
