

Flawless (Do It Well Pt. 3)

dvsn

Can I get flawless center stage?

Do you got someone else at home, pouring up a full cup?
Someone else waiting on your Uber to pull up?
Then, if that's the case, then, I'll just clear out now
'Cause you're the only reason that I'm here right now
I'll think of another drink while you think of your answer
If it's yes, I'll just leave knowing you're my favorite dancer

And I ain't gonna save single dollar
You can have 'em all
You ain't gotta worry 'bout your bills
If you bag 'em all

You know what I'm here for
You know why I came
We taught them all your names
Petty as the change
Nothing I would change

You're flawless
You a boss bitch
Cashed-out
Look at all this
Ballin'
And I don't miss
Ice you out
Lookin' flawless (Make, make that booty shake)

Flawless
You a boss bitch
Cashed-out
Look at all this
Ballin'
And I don't miss
Ice you out

I just really wanna throw this money up and let it fall on you
I just really wanna throw this money up and let it fall on you

Aye-yay don't really worry
'Bout what I've got going on, nah
All you need to focus on is me
All you need to worry 'bout is me
Baby, throw it on me
Come on, keep it coming
I can see you want this
I can see you want this
(Yeah) Don't save a single dollar or a dime
(Yeah) You got everything I need, don't waste my time
(Ooh) And when you in my city, bang my line
It's all for me

You're flawless
You a boss bitch
Cashed-out
Look at all this

Ballin'
And I don't miss
Ice you out
Lookin' flawless (Make, make that booty shake)

Flawless
You a boss bitch
Cashed-out
Look at all this
Ballin'
And I don't miss
Ice you out

I just really wanna throw this money up and let it fall on you
I just really wanna throw this money up and let it fall on you
I just really wanna throw this money up and let it fall on you
I just really wanna throw this money up and let it fall on you
(Fall on me)

I know you got a lot on your shoulders
We all got a price to pay
But I hate to see the weight all fall on you
Someone to call on, someone to run home
Lay you on that bed and just fall on you
(Fall on you, fall on you, yeah-yeah)

(Back and forth)
(Back and forth)
(Back and forth)
(Back and forth)
(Over my body)
(Back and forth)
Flawless, yeah
(Back and forth)
(Over my body)
