

For Us

dvsn

Sometimes
I really wish we got it together earlier
Sometimes
That's just how life goes
Always in cycles
Some guys
Block their blessings
But I learned my lesson and realized
It was always you
It was always you and now I know that

I don't wanna
Waste a minute of my life without you in it
I don't wanna
Act like you ain't been the one from the beginning
I don't wanna
Lose another battle to my pride
When I know that I love you
And there's enough to last, yeah
Forever and for after

You're everything (I really need you)
Forever ain't enough
You're everything (I really need you)
Forever seems too short for us

Somedays
I sit ain't think how I couldn't get any luckier
Someways
You're the best thing that happened in my whole life now
Somehow
I was lost once or twice, every road led me back to you
Then I realized it always you and now I know

I don't wanna
Waste a minute of my life without you in it
And I don't wanna
Act like you ain't been the one from the beginning
I don't wanna
Lose another battle to my pride
When I know that I love you
And there's enough to last, yeah
Forever and for after

You're everything (I really need you)
Forever ain't enough
You're everything (I really need you)
Forever seems too short (It don't seem we got enough time)
You're everything (I really need you)
Forever ain't enough
You're everything (I really need you)
Forever seems too short for us
