

# No Good

dvsn

Somehow I lost the vision  
I'm not like you, I'm not so optimistic  
I realize I'm just too realistic  
My mom says you're the one I should have kids with  
I should just listen

Know I need you close when I'm pushing you away  
So I buy a little bag just to match your little waist  
And, yeah, I know I'm basically the reason  
We can't make this work

I don't know what I did wrong  
Didn't do this right, didn't do that like you need  
I don't know what's goin' on  
Think I need space now, but I want you right here with me  
I don't wanna be alone  
Even commitment is getting lonely  
I don't know what I did wrong  
Didn't do this right, didn't do that and it seems like

I'm just no good at love  
Got me thinking  
Love ain't no good for me  
Got me thinking

Yeah, we talk, there's a lot we ain't sayin'  
Feel like we were rushed, but we're probably waiting (Yeah, yeah)  
To see who gon' be the first one to let their guard down  
This ain't no competition  
Both of us could be winning  
Yeah, yeah, yeah, saying all these things that we already know  
Yeah, yeah, yeah, yeah, ain't goin' nowhere we ain't been before, I noticed  
And, yeah, I know I'm basically the reason  
We can't make this work

I don't know what I did wrong  
Didn't do this right, didn't do that like you need  
I don't know what's goin' on  
Think I need space now, but I want you right here with me  
I don't wanna be alone  
Even commitment is getting lonely  
I don't know what I did wrong  
Didn't do this right, didn't do that and it seems like

I'm just no good at love  
Got me thinking  
Love ain't no good for me  
Got me thinking

I have a hard time  
Opening up to people  
I get closed off  
I just, I feel that, by being emotional in front of someone it makes me weak  
And vulnerable and... Whenever... I truly loved anybody  
They've always stabbed me in the back
