

# Outlandish

dvsn

Couldn't be a better worse time  
Ironic  
Waiting for the perfect timing  
No such thing, no such thing  
I'm just living for the now  
May not be righteous  
Don't judge me, don't judge me

One more shot, I'm too lit  
I'm not indecisive  
I already know who I'm choosing  
Choosing  
Try and not take it too far  
We're already passed too far  
If we fuck right where we are

Wouldn't that be outlandish?  
Outlandish  
Outlandish  
Oh  
Would it be too outlandish?  
Outlandish  
Outlandish  
Oh

Me and you  
No 3-2  
But we in a zone  
Room full of people but I feel like we're alone  
They might be watching but I didn't notice  
I'm too focused  
On you

One more shot and I'm too lit  
You're the one I'm choosing, choosing  
Yeah, yeah, yeah  
Try and not take it too far  
We're already passed too far  
We might as well fuck right where we are

Outlandish  
Outlandish  
Outlandish  
Oh  
Would it be too outlandish?  
Outlandish  
Outlandish  
Oh

Ooh, we just getting started, baby  
We just getting started  
Let's keep it goin'  
Keep goin'  
Keep goin'  
Keep it goin'  
Keep goin'  
Keep goin'

Keep goin'  
Keep goin'
