

## Use Somebody

dvsn

I've been roaming around, always looking down at all I see  
Painted faces fill the places I can't reach  
You know that I could use somebody  
You know that I could use somebody  
Someone like you and all you know and how you speak  
Countless lovers under cover of the street  
You know that I could use somebody  
You know that I could use somebody

Someone like you, oh  
Someone like you  
Like you

Off in the night, while you live it up, I'm off to sleep  
And I'm waging wars to shape the poet and the beat, yeah  
I hope it's gonna make you notice  
I hope it's gonna make you no-, make you notice

Someone like me  
Someone like me, oh  
Somebody like me, someone like me  
Someone like me  
Somebody  
Somebody, somebody

That can make you say oh  
Sex is on fire  
And oh  
Sex is on fire, fire  
Oh, oh, sex is on  
What you want, babe?  
Sex is on, sex is on  
Sex is on fire, on fire  
I feel it  
I feel it  
I feel it  
I feel it  
I feel it  
I feel it
