

Wedding Cake

dvsn

We gon' play some Marvin Gaye
Then we gon' throw on Maxwell, Mary J
Then burn that Jagged Edge like it's our wedding day
Don't need no reason for us to celebrate
We gon' play some Marvin Gaye
Then we gon' throw on Maxwell, Jodeci
Forever My Lady, like it's wedding day, yeah
Don't need no reason for us to celebrate

Huh, every day with you a celebration, uh
I know sometimes it could get complicated
Girl, let me give you all this tender love
You the one I'm thinkin' of, oh, baby
Not much place and opportunity
I keep it real and you stay true to me
Swear no one could take your place
You told me keep these women out your way, I let 'em all go
Told me stories 'bout your ex, he was awful
Did you dirty, lil' baby, he ain't worthy, nah
But you don't wanna hear no trap
You need some somethin' slow
I'll let the DJ know

We gon' play some Marvin Gaye
Then we gon' throw on Maxwell, Mary J
Then burn that Jagged Edge like it's our wedding day
Don't need no reason for us to celebrate
We gon' play some Marvin Gaye
Then we gon' throw on Maxwell, Jodeci
Forever My Lady, like it's wedding day, yeah
Don't need no reason for us to celebrate (Celebrate)

I wake up late at night in cold sweats
Wonderin' if I'm the best thing to happen to you
If I'm the best place to let your head lie
Chillin' with your hair tie on
Listen to your favorite throwbacks
And frontin' like I know that song
But you put me on and I put you on top
My priorities and all other important things, yeah
'Cause I'm with you (Hey)
For some reason, you chose me too
And I'm thinkin' of ways to make you stay
But while we here today

We gon' play some Marvin Gaye (Yeah, ooh)
Then we gon' throw on Maxwell, Mary J (Ooh, Mary J.)
Then burn that Jagged Edge like it's our wedding day (Wedding day)
Don't need no reason for us to celebrate (Oh, yeah)
We gon' play some Marvin Gaye
Then we gon' throw on Maxwell, Jodeci (Jodeci)
Forever My Lady, like it's wedding day (Day), yeah
Don't need no reason for us to celebrate

Celebrate, celebrate, celebrate, celebrate
Celebrate, celebrate, celebrate, celebrate
Celebrate, celebrate, celebrate, celebrate

Celebrate, celebrate, celebrate, celebrate
Celebrate, celebrate, celebrate, celebrate
Celebrate, celebrate, celebrate, celebrate
Celebrate, celebrate, celebrate, celebrate
Celebrate, celebrate, celebrate, celebrate
