

With Me

dvsn

Fuck with me now

Tonight I got the time
So come, fuck with me now
You only
Let me know if you're down
Fuck with me girl
Fuck with me girl
Fuck me girl
Oh, come fuck with me now
You only

Little more time with you
I could go through the whole night with you
Yeah, see 'em all but I fly with you
I could go the whole night with you
What's up, what's up? What the body do?
Like a new car when the body new
Wanna get in, wanna ride with you
Ride on me, I'll ride on you

Baby I can't get this feeling, feeling, feeling out of my body tonight
I know I need you, oh
If you like that feeling, the feeling, the feeling inside of your body
Let me know and fuck with me now

Tonight I got the time
So come, fuck with me now
You only
Let me know if you're down
Fuck with me girl
Fuck with me girl
Fuck me girl
Oh, come fuck with me now
You only

Little less talking 'bout
Wanna know when you're gonna come around
What you waiting for when I'm here right now?
Yeah outside it's cold
I wanna make it clear right now
Everybody disappear right now
All I wanna do is put it on you baby
Put it on you baby

And baby I can't get this feeling, feeling, feeling out of my body tonight
I know I need you, oh
If you like that feeling, the feeling, the feeling inside of your body
Let me know, know, know, know
Fuck with me now
Just fuck with me now

Tonight I got the time
So come, fuck with me now
Yeah, you only it
Let me know if you're down
Fuck with me girl

Fuck with me girl

And you don't get down for the money, it's all for the love
So tell me you want me, tell me you want me
Don't care if there's people around
Just tell me you want me
And I'll hold you down, yeah
And I'll hold you down baby

And I ain't got the time for you right now
Tell me what you like right now, hey

But the truth of it all is more profound
And I will make you fall in love
