Act Like You Know

Dwarves

"Also playing were the Dwarves, one of the more violent bands."

Forever idolize, demonize
Act like you know
Now watch 'em vilify, nullify
Act like you know

Act like you know

Forever strangulate, penetrate
Act like you know

Now watch 'em violate, annihilate
Act like you know

Riot now [x4]

Let's have some violence [x2]
Let's have some violence, some violence, some violence now
Have some violence

Act like you know [x5]
