Anything You Want

Dwarves

I'll do anything you want
I'll give you anything you need
I'll do anything you say long as you're talking to me
But it breaks my heart so bad cuz it's so bad to see you
You ain't lonely , you don't need nothing
You don't want me
No matter what I'll do
No matter what I'll say
No matter how I try, you always walking away
Still it breaks my heart so bad cuz it's so bad to see you
You ain't lonely , you don't need nothing
You don't want me
Would you draw me a map that will show me the door?
I'll do anything you want
I'll give you anything you need
I'll do anything you say long as you're talking to me
But it breaks my heart so bad cuz it's so bad to see you
You ain't lonely , you don't need nothing
And you don't want me
Girl you ain't lonely, you don't want nothing
And you don't want me
