Downey Junior

Dwarves

Hey, they never listen when you say
It’s less sense hero? anyway
You wanna do what you wanna do
And you just wanna go your own way

Ain’t what you do and what you say
Eliminating yesterday
Over-rating with no hesitation

Let me get something of my chest
Corruption of the youth and of the recently oppressed
Death and sex I really must confess
Corruption of the youth annihilation of the rest

You never need to be ashamed
Eliminating yesterday

?Incinerating? your laceration

Let me get something of my chest
Corruption of the youth and of the recently oppressed
Death and sex I really must confess
Corruption of the youth annihilation of the rest

Annihilation of the rest

Let me get something of my chest
?See that Downey Junior as he mentally oppressed?
Death and sex I really must confess
Corruption of the youth annihilation of the rest

Annihilation of the rest
