

Gentleman Blag

Dwarves

I go to hell from time to time
I waste out my time to go down
But I was trained to use my brain

Gentleman blag
We have it back

I'll be around
Can you shoot me down?
Never again to stay until the end
And go wild out in a slang

Gentleman blag
We have it back
Gentleman blag

Gentleman blag
We have it back
Face in a bag
Gentleman blag

Gentleman blag
We have it back
Face in the bag
Gentleman blag
