

## One Time Only

Dwarves

I'll give you once  
Once and one time only  
To biblically know me  
In the back of my go-kart  
Yeah I'll give you once  
Once to know completely  
What others so discreetly  
Are doing in the dark  
Because it's so easy  
To end it now before we even start  
I'll give you once  
Once and one time only  
Then I'll leave you lonely  
Then I'll break your heart
