Dwele

Ayo, Papi, yo  
Huh?  
I know you got that knowledge for us, man  
Well, I done lived 70 years  
Right  
And then I ain't get there by bein' a fool  
Right  
I don't think  
I mean, I'm tellin' you it's true, I don't want to lie to you,  
young guy because there—there—there is no point in lyin'  
I figure if I can tell somebody to help 'em, I'll tell 'em  
Now if you wanna listen, you listen, if you don't, go 'head on,  
take yo' knocks, and go 'head on  
Man, I've been through some hell  
Down the road and around  
They—they are not goin' to find a woman that do everything that  
he want  
I don't have time right now  
See that?

Ooh, everybody up in the 3-1-3, won't you feel me
