

That's The Way Of The World

Dwele

Hearts of fire
Creates love desire
Take you high and higher
To the world you belong
Hearts of fire
Creates love desire
High and higher
To your place on the throne

We've come together on this special day
Sing a message loud and clear
Looking back, we've touched on sorrowful days
Future, past, they disappear

You will find (you will find)
Peace of mind
When you look way down
In your heart and soul
Don't you hesitate, no
'Cause your world seems cold
Stay young at heart
Ahh, cause you'll never be alone
That's the way
Of the world
Plant your flower
And you'll grow a pearl
Child is born
With a heart of gold
Way of the world
Makes his heart so cold

Hearts of fire
Creates love desire
Take you high and higher
To the world you belong
Hearts of fire
Love desire
High and higher
Yeah, yeah, yeah
Higher than ever, babe

We've come together on this special day
Send a message loud and clear
Looking back, we've touched on sorrowful days
Future past, they disappear

You will find
Peace of mind
When you look way down
In your heart and soul
Don't you hesitate
'Cause your world seems cold
Stay young at heart
Cause you'll never be alone
Be alone
That's the way
Of the world

Plant your flowers
And you'll grow a pearl
Child is born
With a heart of gold
Way of the world
Makes his heart so cold
