

## Whoomp (Interlude)

Dwele

You know I want your whoomp  
Tell me how to do  
Feel things that you want me to do  
Hint me to the plan  
Amnesia to your man  
We'll do things he can't comprehend  
You know I want your whoomp  
Tell me how to do  
Feel things that you want me to do  
Hint me to the plan  
Amnesia to your man  
We'll do things he don't understand  
We'll do things he can't comprehend
