

California Sky

Dwight Yoakam

I drove so far that I finally had to
Stop at the water
If you ever drive there then you'll
Know just what I mean
Stood in the sand lookin' out
Farther than I could holler
Where I'd made it all the way to the end
Of our shattered dreams

She told me she was with me
'Till she left me halfway for another
So if you gonna try it, don't do it
With someone that mean
I shoulda known better right from
The first time I saw her
Now she's another lesson in lovin'
That I won't repeat

Under a California Sky
So blue it never has to lie
There ain't no need to wonder why
'Cause that sky
Whoa yeah that sky
It don't ever lie

I hung out here, all alone
But I never bothered
To think about ever going back to where
You put me down
So if you ever run again
Baby drive it all the way to the water
Where some dude hanging 'round on the sand
Might be me you found

Under a California Sky
So blue it never has to lie
There ain't no need to wonder why
'Cause that sky
Whoa yeah that sky
It don't ever lie

Under a California Sky
So blue it never has to lie
There ain't no need to wonder why
'Cause that sky
Whoa yeah that sky
It don't ever lie
Under a California Sky
So blue it never has to lie
There ain't no need to wonder why
Yeah under a California sky
So blue it never has to lie
