

# Can't Be Wrong

Dwight Yoakam

'Cause me and you  
And you and I  
Can leave all alone that other guy  
Then baby get gone  
Hey I said 'tween you and me  
Or me and her  
Ain't no way not none  
She ever did no better  
As you and me  
Come on baby  
Someday they'll see

Hey hey hey hey  
Hey hey let's go  
That feels so fine  
Just let it roll  
Is what I know  
Instead of wrong I say it's right  
An that's where I go

I said you and me  
And me and you oh  
What I wouldn't trade  
For what we could do together  
If we'd only try  
Baby you just come along and  
Be my guide

Hey hey hey  
What you got goin'  
An what that's sayin'  
It's where you belong  
An I'll tell ya baby  
That just can't be wrong

So it's you and me 'cause me  
And her  
Woul'da never worked out  
Or been this good together  
Baby you know why  
'Cause everything right now's custom  
Fit for you and I

Hey it's the one only one  
That'll run this long  
An baby you can't stop  
When it feels this strong  
It's got to be right  
'Cause it can't be wrong  
Hey hey hey hey hey

Said baby it's gotta be right  
'Cause it can't be wrong  
Yeah yeah yeah yeah yeah yeah  
Can't be wrong  
Said its gotta be right  
When it feels this strong

You know it's just gotta be right  
'Cause it can't be wrong
