

## High On A Mountain Of Love

Dwight Yoakam

Standing on a mountain looking down on a city  
The way I feel is a doggone pity  
Teardrops fallin' down a mountainside  
Many times I've been here, many times I've cried  
We used to be so happy when we were in love  
High on a mountain of love

Night after night I'm a-standing here alone  
Weepin' my heart out till cold gray dawn  
Prayin' that you're lonely and you'll come here too  
Hoping just by chance that to get a glimpse of you  
Tryin' hard to find you, somewhere my love  
High on a mountain of love

Mountain of love, mountain of love  
You should be ashamed  
We used to be a mountain of love  
But you just changed your name

Way down below there's a half a million people  
Somewhere there's a church with a big tall steeple  
Inside the church is an altar filled with flowers  
Wedding bells are ringin', they shoulda been ours  
That's why I'm so lonely, high up above  
High on a mountain of love

Hey!

That's why I'm so lonely, high up above  
High on a mountain of love

Mountain of love, mountain of love  
You should be ashamed  
You used to be a mountain of love  
But you just changed your name

Way down below there's a half a million people  
Somewhere there's a church with a big tall steeple  
Inside the church is an altar filled with flowers  
Wedding bells are ringin' that shoulda been ours  
That's why I'm so lonely, high up above  
High on a mountain of love  
High on a mountain of love  
High on a mountain of love
