

Time Between

Dwight Yoakam

Don't say you love me
No don't say you care
You're so far away
Telephone communication
Only a three minute elation
When I hear your voice

Through love and trust it's gonna
Work out fine
The only pain I feel is all this
Time between
You and me
You and me
All the days that turned to years
Only emphasized my fears
Since you said goodbye

I can hear your voice at night
I can read the words you write
And it's only love
Through love and trust it's gonna
Work out fine
The only pain I feel is all this
Time between
You and me
You and me

Through love and trust it's gonna
Work out fine
The only pain I feel is all this
Time between
You and me
You and me
So don't say you love me
No don't say you care
You're so far away

I can hear your voice at night
I can read the words you write
And it's only love
Through love and trust it's gonna
Work out fine
The only pain I feel is all this
Time between
You and me
You and me
You and me
You and me
