Bitter

Dylan Conrique

Every time I see you round I'm kinda nervous
But I smile like it don't bother me at all
'Cause I know you and me, we had something, oh
And now you and me, we got nothing, oh

And I can see it on your face
I can see it on your face, yeah
I can see it on your face
You're happy

But I'm not bitter when she calls your name
I don't really think about it much these days
Not bitter, I never lie, I wake up
Until the sun be coming round, no way
Not thinking about the way you left it
How I was torn apart
I'm not bitter, bitter, no no, I swear
I'm better, better now

You're gone
Gone, gone
You're gone
Gone, gone
I'm not bitter, bitter now

I know you're asking how I been since we decided
The you and me was dead-set, you ain't seen me round (seen me round)
So I said I've been busy giving somebody else my time
Roll my eyes so easy like you ain't been on my mind

And I can see it on your face, I can see it on your face, yeah
I can see it on your face, you're happy

But I'm not bitter when she calls your name
I don't really think about it much these days
Not bitter, I never lie, I wake up
Until the sun be coming round, no way
Not thinking about the way you left it
How I was torn apart
I'm not bitter, bitter, no no, I swear
I'm better, better now

You're gone, gone
You're gone, I'm not bitter, bitter now
You're gone, gone
You're gone, I'm not bitter, bitter now

Mmh-hm
Yeah, I'm not bitter
I'm not bitter
Yeah, I'm not bitter

I'm not, I'm not, I'm not bitter
'Cause I'm not, 'cause I'm not

But I'm not bitter when she calls your name
I don't really think about it much these days

Not bitter, I never lie, I wake up
Until the sun be coming round, no way
Not thinking about the way you left it
How I was torn apart
I'm not bitter, bitter, no no, I swear
I'm better, better now

You're gone, gone
You're gone, I'm not bitter, bitter now
You're gone, gone
You're gone, I'm not bitter, bitter now
