

Not So Secretly

Dylan Conrique

It's been 200 days
But who's counting?
Came across your page
Now I'm doubting how I walked away
Without telling you why, you why

And I know, and I know, and I know
Yeah, I know that I ended things
But I don't, but I don't
But I don't know if that was the best for me
On a low, on a low, on a low
I've been home, second guessing things
'Bout you and me

Was it a big mistake
To let you slip away?
This feeling won't seem to fade
'Cause I'm not so secretly still in love with you
Baby, I've come to find
I can't get you off my mind
I think of you all the time
'Cause I'm not so secretly still in love with you
'Cause I'm not so secretly, I'm not so secretly in love with you ('cause I'm
)
Not so secretly, I'm not so secretly in love

It's a Saturday
And now I'm going on another date
But it don't feel the same with someone new
'Cause I'm here thinking 'bout you, 'bout you

And I know, and I know, and I know
Yeah, I know that I ended things
But I don't, but I don't
But I don't know if that was the best for me
On a low, on a low, on a low
I've been home second guessing things
'Bout you and me

Was it a big mistake
To let you slip away?
This feeling won't seem to fade
'Cause I'm not so secretly still in love with you
Baby, I've come to find
I can't get you off my mind
I think of you all the time
'Cause I'm not so secretly still in love with you

'Cause I'm not so secretly, I'm not so secretly in love with you ('cause I'm
)
Not so secretly, I'm not so secretly in love-ove ('cause I'm)
Not so secretly, I'm not so secretly in love with you ('cause I'm)
Not so secretly, I'm not so secretly in love with you
Love with you

Was it a big mistake
To let you slip away?

This feeling won't seem to fade
'Cause I'm not so secretly still in love with you
'Cause I'm not so secretly, I'm not so secretly in love with you ('cause I'm
)
Not so secretly, I'm not so secretly in love-ove ('cause I'm)
Not so secretly, I'm not so secretly in love with you ('cause I'm)
Not so secretly, I'm not so secretly in love with you
