

# Wasted Makeup

Dylan Conrique

Don't lead me on just to get to all my friends  
Don't call me up 'cause you're bored and have regrets  
There, I said it, you broke my heart  
But after spending this time apart  
I'm glad we ended 'cause since this started

On you I wasted makeup  
With every tear I've cried  
Now I might never make up  
For all this wasted time  
And every lie and makeup  
Just helped me realize  
On you

On you I wasted makeup, makeup, makeup  
On you I wasted makeup, makeup, makeup

Don't text your ex when you're on a date with me  
Don't hit me up just to get into parties  
There, I said it, you broke my heart  
But after spending this time apart  
I'm glad we ended 'cause since this started

On you I wasted makeup  
With every tear I've cried  
Now I might never make up  
For all this wasted time  
And every lie and makeup  
Just helped me realize  
On you

On you I wasted makeup, makeup, makeup  
On you I wasted makeup, makeup, makeup

I don't wanna hurt no more  
Time for me to shut the door  
Need you to go, need you to go  
Leave me alone, leave me alone  
I don't wanna hurt no more  
Time for me to shut the door  
Need you to go, need you to go  
Leave me alone

On you I wasted makeup  
With every tear I've cried  
Now I might never make up  
For all this wasted time  
And every lie and makeup  
Just helped me realize  
On you

On you I wasted makeup, makeup, makeup  
On you I wasted makeup, makeup, makeup  
On you I wasted makeup, makeup, makeup  
On you I wasted makeup, makeup, makeup  
On you I wasted
