

# When I Go

Dylan Conrique

Got an ex in Texas calling  
Got a boy in my hometown falling  
What a shame, what a shame, what a shame (Shame)  
Oh, I've seen the bottom of every bottle  
Mighta left some good ones hollow  
What a shame, what a shame, what a shame (Shame)

Yeah, my broken heart is dead and gone  
The show goes on and on

I'm a cowboy I've been told  
Dirty boots, October roads  
I'm just moving where the cold wind blows  
I'm a cowboy I've been told  
Broken angel, heart of stone  
I can love you better than you've ever known  
But you won't hear me when I go

Oh-oh, oh-oh-oh  
Oh-oh, oh-oh-oh  
Oh-oh, oh-oh-oh  
But you won't hear me when I go

I'll give you a taste of Heaven  
Can't promise you good intentions  
What a shame, what a shame, what a shame (Shame)  
Oh-oh, oh, I used to love for seasons  
Now I just love and leave 'em  
What a shame, what a shame, it's a game (Game)

Yeah, my broken heart is dead and gone  
The show goes on and on

I'm a cowboy I've been told  
Dirty boots, October roads  
I'm just moving where the cold wind blows  
I'm a cowboy I've been told  
Broken angel, heart of stone  
I can love you better than you've ever known  
But you won't hear me when I go

Oh-oh, oh-oh-oh  
Oh-oh, oh-oh-oh  
Oh-oh, oh-oh-oh  
But you won't hear me when I go  
Oh-oh, oh-oh-oh  
Oh-oh, oh-oh-oh  
I can love you better than you've ever known  
But you won't hear me when I go  
Go

'Cause my broken heart is dead and gone  
The show goes on and on

I'm a cowboy I've been told (I've been told)  
Dirty boots, October roads (October roads)  
I'm just moving where the cold wind blows

I'm a cowboy I've been told  
Broken angel, heart of stone  
I can love you better than you've ever known  
But you won't hear me when I go

Oh-oh, oh-oh-oh (When I go)  
Oh-oh, oh-oh-oh (When I go)  
Oh-oh, oh-oh-oh (When I go)  
But you won't hear me when I go  
Oh-oh, oh-oh-oh  
Oh-oh, oh-oh-oh  
I can love you better than you've ever known  
But you won't hear me when I go
