Can't Stop Thinking

Dylan Gardner

Caught me in the moment
You looked in my eyes
As Waves crashed over my head
Dramamine paradise

I hate to admit it
But I've never done this before
You got me stuck in it
And I can't fight anymore
And I'm overthinking
But there's nothing else I can do

I can't stop thinking about you
I try but
I can't stop thinking about you
I give up
I can't stop thinking about you
No time and million things I gotta do
But I can't stop thinking about you

You & me in the moment when I realized
All we have is now is that enough time?
I hate to admit it
But even the sound of your name
Is becoming religious
Please show me the way
Cause I'm overthinking
But there's nothing else I can do

I can't stop thinking about you
I try but
I can't stop thinking about you
I give up
I can't stop thinking about you
No time and million things I gotta do
But I can't stop thinking about you

(You'll be the one to make me stay young)

I Can't stop thinking about you
I try but
I Can't stop thinking about you
I give up
I Can't stop thinking about you
No time and million things I gotta do
But I can't stop thinking about you

Can't stop thinking about
Can't stop thinking about
Can't stop thinking about
I Can't stop thinking about you
There's a million things I gotta do
Can't stop thinking about
I Can't stop thinking about you
