You Got That Thing

Dylan Gardner

It's been a long, long time
It's gonna be alright now
Tell you what I'll do
Let me talk to ya
'Cause I think it's sentimental [?]
The way you break my heart to pieces
But I'll never know what keeps me coming back

You got that thing
It don't matter what you mean to me (Hoo-hoo)
You just got that thing
It don't matter what we're gonna be (Hoo-hoo)

So what you thinking right now
And what's the explanation
If you think it's true
I gotta talk to you
Well you don't gotta say you want me
But baby nothing's gonna stop me
Yeah I'll never know what keeps me coming back

You got that thing
It don't matter what you mean to me (Hoo-hoo)
You just got that thing
It don't matter what we're gonna be (Hoo-hoo)

I can give you some loving
Give you some sign
Let me know that you're
Picking up what I'm trying
You can go your way
I can go mine
But you know I still sing
'Cause when it's all said and done
You still got that thing

It's been a long, long time
It's gonna be alright
It's been a long, long time
It's gonna be alright
It's been a long, long time
It's gonna be alright now
It's been a long, long time

Well you got that thing
It don't matter what you mean to me (Hoo-hoo)
You just got that thing
And it don't matter what we're gonna be (Hoo-hoo)

I can give you some loving
Give you some sign
Let me know that you're
Picking up what I'm trying
You can go your way
I can go mine
But you know I still sing
'Cause when it's all said and done

You still got that thing
