

Heaven's Sake

Dylan Marlowe

I've got a proposition
Quit moving on so fast
'Cause when you did, I didn't
Is it too much to ask

If you see my truck
Baby, keep driving
If you're over us
Yeah, could you hide it
I don't wanna see it
I don't wanna hear it
You gotta let me let you go

So, for heaven's sake
Baby, could you give this ole boy a break
Won't you stop throwing that cold hard matter fact
You ain't ever coming back
In my face
And find a new house in the next town over
So, I ain't gotta see you all over me
But not in a good way
So, won't you quit putting this boy through hell for heaven's sake

You and your new me
Was all over this town, been two weeks
And you're running around
Why'd you do me like some red dirt on the ground
That you turned into dust
Enough is enough

For heaven's sake
Baby, could you give this ole boy a break
Won't you stop throwing that cold hard matter fact
You ain't ever coming back
In my face
And find a new house in the next town over
So, I ain't gotta see you all over me
But not in a good way
So, won't you quit putting this boy through hell for heaven's sake

If you see my truck
Baby, keep driving
If you're over us
Yeah, could you hide it
I don't wanna see it
I don't wanna hear it
You gotta let me let you go

So, for heaven's sake
Baby, could you give this ole boy a break
Won't you stop throwing that cold hard matter fact
You ain't ever coming back
In my face
And find a new house in the next town over
So, I ain't gotta see you all over me
But not in a good way
So, won't you quit putting this boy through hell for heaven's sake
