

## 21 And Over

Dylan Schneider

It's all passion, all laughing  
It's that kiss out in the rain  
Fall hard and fall fast and  
Swear up and down you'll stay  
On this high  
Never thinking down the road  
You'll say goodbye  
Till you do and then you know

Young love hates to admit it  
Two 16-year-old kids get  
So wrapped up in the moment  
They forget they got to get older  
Just like that in an instance  
Blink of an eye, one minute  
You're 18 and couldn't be closer  
Next thing you know you're 21 and over  
21 and over  
21 and over

I wonder if you wonder  
If I wonder about you babe  
Think about those summers  
Where I loved you in my daddy's Chevrolet  
In that back seat  
Where we said we'd make it work  
Yeah, we had dreams  
And hopes and plans, girl but damn

Young love hates to admit it  
Two 16-year-old kids get  
So wrapped up in the moment  
They forget they got to get older  
Just like that in an instance  
Blink of an eye, one minute  
You're 18 and couldn't be closer  
Next thing you know you're 21 and over  
21 and over  
21 and over

If I could, yeah, I would  
I'd go back to those days  
Tell those kids we were  
Who thought they knew everything

Young love hates to admit it  
Two 16-year-old kids get  
So wrapped up in the moment  
They forget they got to get older  
Just like that in an instance  
Blink of an eye, one minute  
You're 18 and couldn't be closer  
Next thing you know you're 21 and over  
21 and over  
21 and over  
21 and over
