

## Bait

Dylan Schneider

Aw yeah

I gotta get there early to get a good spot  
'Cause the fish start jumpin' 'round ten o'clock  
So many pretty ones swimmin' on by  
Doin' everything I can to catch their eye  
If I'm lucky I'll get a bite

Gonna throw a little bait in the river  
Toss out a line try to reel 'em in  
If all I get is a nibble  
I'll come back tomorrow and try it again  
There's a plenty of fish in the sea  
I'm about to get one hooked on me  
If I throw a little bait  
Throw a little bait in the river

My best buddy, he's got one on  
Hope she got a friend that wants to tag along  
Lucky is the one that got away  
Keep thinkin' she might come back some day  
But I can't sit around and wait

So I throw a little bait in the river  
Toss out a line try to reel 'em in  
If all I get is a nibble  
I'll come back tomorrow and try it again  
There's a plenty of fish in the sea  
I'm about to get one hooked on me  
If I throw a little bait  
Throw a little bait in the river, river

And maybe I'm tryin' to fish too deep  
She's lookin' for fun, not somethin' to keep  
I'm thinkin' she just caught me

Throwin' a little bait in the river  
Toss out a line try to reel 'em in  
If all I get is a nibble  
I'll come back tomorrow and try it again  
Throwin' a little bait in the river  
Toss out a line try to reel 'em in  
If all I get is a nibble  
I'll come back tomorrow and try it again  
There's a plenty of fish in the sea  
I'm about to get one hooked on me  
If I throw a little bait  
Throw a little bait in the river, river
