It's A Guy Thing

Dylan Schneider

If I have too many beers and I catch a buzz
I'ma tell you I'm fine even though you know I'm drunk
And if I lose a fight I'll still be acting tough
"I would've won, that boy got in a lucky punch"
Got fired but I'ma skip that fact "No, I quit"
Told them to kiss my ass
Lost my girl and I miss her bad, but
Far as you know I don't want her back

It's a guy thing, it's in the wiring
Built to be brave, just how we're made
Love me or hate me, say it won't faze me
Stuck in my ways, ain't gonna change
Smile through the pain, hiding the sting
Act like the man, act like the king
It's a guy thing

A minute left in the game, my team's about to lose
I'ma say that they're not even though I know it's through
Ask me if I give a damn that all your friends are dudes
I'ma swear that I don't even though I know I do

It's a guy thing, it's in the wiring
Built to be brave, just how we're made
Love me or hate me, say it won't faze me
Stuck in my ways, ain't gonna change
Smile through the pain, hiding the sting
Act like the man, act like the king
It's a guy thing

We hide from our hearts, go with our guts
It ain't really us, it's really just
A guy thing, it's in the wiring
Built to be brave, just how we're made
Love me or hate me, say it won't faze me
Stuck in my ways, ain't gonna change
Smile through the pain, hiding the sting
Act like the man, act like the king
It's a guy thing
