

# Can't Take Her Anywhere

Dylan Scott

Hey man, I see you  
Checking out my girl like I ain't got a clue  
But I do, it's okay  
It doesn't really matter, 'cause at the end of the day  
She's mine, yeah, she's fine  
This ain't the first time, and you ain't the first guy

I can't take her anywhere without causing a scene  
Everywhere we go, she got her own paparazzi  
All the fellas gettin' jealous up in this bar  
It's kinda like I got my own little superstar  
Anywhere that she walks in  
People stop and stare, but I don't care  
'Cause I know that she's a beauty, such a cutey  
Yeah, she don't try, even blows my mind  
I can't take her anywhere, anywhere, anywhere, anywhere

I turn around, yeah, two shots of Crown  
The boy thinks he's got a shot, but she's turning him down  
And I laughed, she laughed  
Laid a kiss on my lips, then sat in my lap  
'Cause she's mine, yeah, she's fine  
This ain't the first time, and he ain't the first guy

I can't take her anywhere without causing a scene  
Everywhere we go, she got her own paparazzi  
All the fellas gettin' jealous up in this bar  
It's kinda like I got my own little superstar  
Anywhere that she walks in  
People stop and stare, but I don't care  
'Cause I know that she's a beauty, such a cutey  
Yeah, she don't try, even blows my mind  
I can't take her anywhere, anywhere, anywhere, anywhere  
I can't take her anywhere, anywhere, anywhere, anywhere

She's like a spotlight, shining bright  
Turns me on like a streetlight  
At midnight, in the moonlight  
Yeah, she's looking so right  
She gets to me when she's next to me  
It's hard to breathe, I can't believe she's mine

I can't take her anywhere without causing a scene  
Everywhere we go, she got her own paparazzi  
All the fellas gettin' jealous up in this bar  
It's kinda like I got my own little superstar  
Anywhere that she walks in  
People stop and stare, but I don't care  
'Cause I know that she's a beauty, such a cutey  
Yeah, she don't try, even blows my mind  
I can't take her anywhere, anywhere, anywhere, anywhere  
I can't take her anywhere, anywhere, anywhere, anywhere  
Anywhere, anywhere, anywhere
