

Eastside

Dylan Scott

When I was young, I fell in love
We used to hold hands, man, that was enough
Then we grew up, started to touch
Used to kiss under the light on the back of the bus
Oh no, your daddy didn't like me much
And he didn't believe me when I said you were the one
Oh, every day, she found a way out of the window to sneak out late

She used to meet me on the Eastside
In the city where the sun don't set
And every day, you know that we ride
Through the backstreets in a blue Corvette
Baby, you know I just wanna leave tonight
We can go anywhere we want
Drive down to the coast, jump in the seat
Just take my hand and come with me, yeah

We can do anything if we put our minds to it
Take your old life, then you put a line through it
My love is yours if you're willing to take it
Give me your heart 'cause I ain't gonna break it
So come away, starting today
Start a new life together in a different place
We know that love is how all these ideas came to be
So baby, run away with me

17, and we got a dream to have a family
A house, and everything in between
And then, oh, suddenly, we turned 23
And now we got pressure for taking our life more seriously
We got our dead-end jobs and got bills to pay
We have old friends are now our enemies
And now I'm, I'm thinking back to when I was young
Back to the day when I was falling in love

She used to meet me on the Eastside
In the city where the sun don't set
Every day, you know where we'd ride
Through the backstreets in a blue Corvette
Baby, you know I just wanna leave tonight
We can go anywhere we want
Drive down to the coast, jump in the sea
Just take my hand and come with me, yeah

We can do anything if we put our minds to it
Take your old life, then you put a line through it
My love is yours if you're willing to take it
Give me your heart 'cause I ain't gonna break it
So come away, starting today
Start a new life together in a different place
We know that love is how all these ideas came to be
So baby, run away with me

Run away now, run away now
Run away
Run away now, run away now
Run away

She used to meet me on the Eastside
