

# I Hate Whiskey

Dylan Scott

I can shoot tequila straight when I'm out with my friends  
I can unwind on a little wine, baby, yeah, I can  
I can drink an ice-cold beer when I clock out of that dirt  
But there's something 'bout that Tennessee girl that never works

They say it's the cure, but not this time  
And that's the reason why, huh

I hate whiskey  
It just keeps me up and thinking 'bout us  
That's all it does  
It doesn't burn your memory, it just lights it up  
Yeah, I hate whiskey  
'Cause it only gets me drunk on you, on us  
I hate whiskey

It never goes down smooth, now it always burns  
I'm just the same fool on the same stool, girl, I never learn  
It's a temporary fix to your permanent goodbye  
That proof is in that 90 proof, and it keeps proving you right, so

I hate whiskey  
It just keeps me up and thinking 'bout us  
That's all it does  
It doesn't burn your memory, it just lights it up  
Yeah, I hate whiskey  
'Cause it only gets me drunk on you, on us  
I hate whiskey  
Hell, it only gets me drunk on you, on us  
I hate whiskey

It tastes like I still love you, girl, on ice  
And that's the reason why

I hate whiskey  
It just keeps me up and thinking 'bout us  
That's all it does  
It doesn't burn your memory, it just lights it up  
Yeah, I hate whiskey  
'Cause it only gets me drunk on you, on us  
I hate whiskey  
Hell, it only gets me drunk on you, on us  
I hate whiskey

I hate whiskey  
I hate whiskey
