

# I Lost You

Dylan Scott

There's a line drawn across this bar  
Here I am and there you are  
Like two strangers in the dark  
With all the same frames  
I'm gonna act like I don't care  
Like you don't catch my stare  
Cause what's the point of going back to where  
We've already been

Baby, I put all I had in it  
I held a good hand  
But I just couldn't win it  
You wanted my love  
Up until you didn't  
And that's just the truth

It was good  
So good till it wasn't  
And it's gonna hurt like hell till it doesn't  
So I'm gonna drink like I've got nothing  
Nothing to lose  
Cause I lost you

I'm gonna order up another round  
Cause I've got your memory to drown  
Funny how the hard stuff goes down  
So easy, too easy  
And I know just what you're thinking  
Cause I know you when you've been drinking  
And girl, that's the only reason  
You're saying you need me

Baby, I put all I had in it  
I held a good hand  
But I just couldn't win it  
You wanted my love  
Up until you didn't  
And that's just the truth

It was good  
So good till it wasn't  
And it's gonna hurt like hell till it doesn't  
So I'm gonna drink like I've got nothing  
Nothing to lose  
Cause baby, I lost you

Baby, I put all I had in it  
I held a good hand  
But I just couldn't win it  
You wanted my love  
Up until you didn't  
And that's just the truth

It was good  
So good till it wasn't  
And it's gonna hurt like hell till it doesn't  
So I'm gonna drink like I've got nothing

Nothing to lose  
Cause baby, I lost you  
Girl, I lost you  
Oh, I lost you
