

Sleeping Beauty

Dylan Scott

You pull the covers off the bed
Pillow stuck between your legs
Oh, what a beautiful mess
My T-shirt never looked so good
Laying here, like I could
Stay here forever next to

Sleeping Beauty
You got no idea what you do to me
I hope your dreams come true
Last night was perfect
We stayed up too late but it was worth it
To wake up seeing you
Sleeping Beauty

The sun hurts pouring through the blinds
I guess I poured us too much wine
Put the blame on me
But I ain't gonna wake you up
You don't need it but
Go on get your beauty sleep

Sleeping Beauty
You got no idea what you do to me
I hope your dreams come true
Last night was perfect
We stayed up too late but it was worth it
To wake up seeing you
Sleeping Beauty

Sleeping Beauty
You got no idea what you doin' to me
I hope your dreams come true
Last night was perfect
We stayed up way too late but it was worth it
To wake up seeing you
