

Thinking Out Loud

Dylan Scott

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love?
Will your eyes still smile from your cheeks?

Darlin I, will be lovin' you
Till we're seventy, yeah
And baby my heart
Could still fall as hard at twenty three
And I'm thinking about how

People fall in love in mysterious ways
Maybe just the touch of a hand
Well me I fall in love with you every single day
And I just have to tell you I am

So honey now
Take me into your lovin' arms
Kiss me under the light of a thousand stars
Place your head on my beating heart, yeah
I'm thinking out loud
Maybe we found love right where we are

When my hairs all but gone and my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way
I know you will still love me the same

Cause honey your soul
Could never grow old
It's evergreen
And baby your smiles
Forever in my mind and memory
I'm thinking about how

People fall in love in mysterious ways
And maybe it's all part of a plan
I'll just keep on making the same mistakes
Hoping that you'll understand

That baby now
Take me into your lovin' arms
Go on and kiss me up under the light of a thousand stars
Place your head on my beating heart, baby
I'm thinking out loud
That maybe we found love right where we are
That baby we found love right where we are
We found love right where we are
