

## BACK 2 MAKIN LUV

Dylan Sinclair

I won't beat around it  
You know I'm still bout it  
Back 2 makin' luv again  
Take it to the promised land

But baby let's be honest  
Don't go breaking promises  
To the top you're tryna head  
You gotta lock that daily bread

You feel so good to me  
You feel heavenly (lean on me)  
You feel so good to me  
You feel heavenly
