

BACK 2 MAKIN LUV

Dylan Sinclair

I won't beat around it
You know I'm still bout it
Back 2 makin' luv again
Take it to the promised land

But baby let's be honest
Don't go breaking promises
To the top you're tryna head
You gotta lock that daily bread

You feel so good to me
You feel heavenly (lean on me)
You feel so good to me
You feel heavenly
